**MEET
WORLD
CLASS
EDUCATIONAL
RESOURCES
FROM GERMANY**

German education has continued to play a pivotal role in launching new education initiatives and addressing every stage of lifelong learning. At Worlddidac Asia, you will be able to see first-hand how German technologies make it

easier for teaching and learning in the classroom. Register today to attend the conferences, workshops and meet German educational resources!

10-12 | **OCT 2018**
Queen Sirikit National
Convention Center
Bangkok

UNESCO | UNEVOC, BIBB and Didacta International proudly present this symposium to share the concept and best practices from the training industry, the UNEVOC-Network and from national perspectives.

It is important to invest in Green TVET because Green TVET helps production move to more environmentally conscious practices

“Greening TVET / TVET for Sustainable Development”

on Thursday 11 October 2018 | 10.00-14.00 hrs.
